"I once shook hands with Pat Boone and my whole right side sobered up."

Dean Martin

"I never drink water with my whisky ... That's the stuff that rusts pipes!"

Peter O'Toole

"I used to think it was a silly affectation to drink different wines from different style glasses, but I have finally become a convert.

I definitely prefer drinking hearty macho reds from a 'Bob the Builder' tumbler and lighter, fruitier whites from a 'Dora the Explorer' glass."

Dawn French
